Abstract

Higher Education - Kerala Technological University -Disaffiliation of Engineering Colleges in the State of Kerala- Affiliated to Kerala Technological University - Orders issued - Reg

HIGHER EDUCATION (J) DEPARTMENT

G.O. (Ms.) No: 93/2015/H.Edn

Dated, Thiruvananthapuram, 11.03.2015

Read:-1. Kerala Technological University Ordinance 2014.  
2. Letter No. KTU/A/165/2015 dated, 10/2/2014 from the Registrar, Kerala Technological University, Thiruvananthapuram.

ORDER

The Registrar, Kerala Technological University, as per the paper read first above, has requested to issue orders to dis-affiliate the Engineering Colleges which are affiliated to the different Universities in the State and to affiliate them to Kerala Technological University from the Academic year 2015-16 onwards.

Clause 59 of Chapter VIII of the Kerala Technological University Ordinance 2014, deals with the Affiliation and recognition of Technical institutions to Kerala Technological University. As per the Ordinance, 'the University can affiliate any of the Engineering Colleges or Institutions imparting education in Technology owned by Government of Kerala or Government Controlled Societies, Private Aided and Private Unaided, Self-financing educational agencies, which, before the date of commencement of this Ordinance remained affiliated to the different Universities, except deemed Universities in the State of Kerala, provided they meet the criteria prescribed under this Ordinance, Ordinances and Statutes for affiliation, including but not confined to availability of faculty, administrative machinery, infrastructure (buildings, laboratories etc.) which will be laid down by the University from time to time under the provisions of this Ordinance.'

In the above circumstances, Government are pleased to accord sanction to disaffiliate the institutions imparting education in Engineering and Technology in the State of Kerala as stated under the above clause and affiliate them to the Kerala Technological University by invoking the same clause from the Academic year 2015-16 onwards in a phased manner, allowing the institutions to continue affiliation in the existing Universities in Kerala for the existing courses till the students already admitted to the courses complete their studies. The affiliation of all the technical institutions imparting B.Tech and M.Tech programs will be carried out by Kerala Technological University from the Academic year 2015-16 onwards. All technical institutions in the State will mandatorily affiliate with Kerala Technological University for the conduct of B.Tech and M.Tech courses from the Academic year 2015-16 onwards.

Read:- (1) GO (MS) No.93/2015/H.Edn dated 11.03.2015  
(2) Letter No. KTU/A/142/2016 dated 01.03.2016 from the Registrar, APJ Abdul Kalam Technological University.

**ORDER**

The Government of Kerala vide GO read as (1) accorded sanction to affiliate all the technical institutions imparting B.Tech and M.Tech courses in the State, to the Kerala Technological University from the academic year 2015-16 onwards. Further sanction has been accorded, allowing the institutions imparting B.Tech and M.Tech course to continue affiliation in the existing Universities in Kerala for the existing courses till the students already admitted to the course complete their studies.

The Registrar, APJ Abdul Kalam Technological University vide paper read as (2) submitted the following norms to admit the B.Tech/ M.Tech students who have discontinued their studies.

- (i) The student should have been eligible for readmission had the programme continued in the parent University as per the regulations of the respective Universities. A certificate to prove the eligibility for readmission from the parent University has to be produced by the applicant for admission to Kerala Technological University.
- (ii) Admission to KTU shall be strictly based on the recommendation of the Principal of the college from where the applicant has discontinued the study.
- (iii) A committee constituted by KTU to examine readmission cases shall decide on addition and/or substitution of courses to be studied by the student to match with the curriculum of KTU, subject to the ratification of the Academic Committee.
- (iv) The credits earned by the student in the parent University shall be transferred to KTU as per clauses in the ordinance of the respective programme. The credits earned by the students in the parent University shall be converted to equivalent credits of KTU as per the pattern of credits assigned by KTU in the ordinance.

- (v) The rules and regulations applicable to the batch of students to which the student is admitted shall be applicable to him/her.

Considering the above, the Vice Chancellor has approved the norms of readmission (i) to (v), submitted by the Registrar, APJ Abdul Kalam Technological University.

Orders are issued accordingly.

Respected Sir

Sub : Affiliation for the AY 2016-17- Rectification of deficiencies - reg

Ref : 1. Your mail dated 05/05/2016

2. Your letter No: KTU/A/456/2015 dated 26/06/2016 – Deficiencies reported

This is with reference to your letter dated 05/05/2016 in which the reason for not giving affiliation to the PG programs is stated as “The departments offering PG programs do not have sufficient number of faculty with PhD qualifications”. In this connection I would like to appeal for continuing affiliation due to the following reasons:

1. All the Departments offering PG programs of KMEA were having faculty with PhD qualifications. Only recently few faculty members having PhD resigned from our college and now we are in the process of appointing professors with AICTE prescribed qualifications against the vacancies. We are sure that professors will be posted at the earliest in all the departments.
2. The Principal Dr. T.K. Mani is also a faculty in Electronics and Communication Engineering branch and he is already taking classes for the M tech program in Communication Engineering offered by the EC Department.
3. The CS department is offering M Tech in Computer science and Engineering. Our Director Dr Amar Nishad is a doctorate degree holder in Computer science & Engineering and he is engaging classes for PG program offered by the CS Department.
4. Moreover, many senior faculty members are already doing research work either part time or regular basis. Prof. Rekha Lakshmanan (KTU ID F-10585) from Computer Science & Engineering Department had already submitted her thesis and waiting for

5. the open defense. She will be awarded with doctorate degree in this year itself. Prof. Manju Bhasker (KTU ID F-10939), Prof. Ansiya Eshack (KTU ID F-10943), Prof. Smitha (KTU ID F-11566) from Electronics and Communication Engineering Department, Prof. Bindhu Sebastian (KTU ID F-9129) from CE Department, Prof. Sheena Kurian from CS Dept (KTU ID F-10596), are also at the state of submitting their PhD thesis.
6. We feel that it is injustice to not to recognize M. Tech in Communication Engineering course and M. Tech in Computer Science & Engineering course by saying that there is no faculty with PhD qualification to take the classes.
7. Also we are in the process of appointing sufficient senior faculty with PhD qualifications in all the departments. We have already released advertisement in the newspaper for appointment of Professor / Associate Professors in all the departments.
8. Regarding the shortage of overall faculty strength as notified in the deficiency report, it must be noticed that we had already got sanction for reduction in intake of 60 students in EC department and closure of IT Branch. The reduction in intake was with effect from the year 2014-2015 and no admission for IT branch from the year 2014. Hence the present faculty strength is better than 1:15. Copy of the nominal roll and salary detail of all existing faculty is attached as proof.

In this connection I would like to confirm that the deficiencies pointed in the deficiency report (ref 2) such as mandatory disclosure etc were already rectified.

Hence I humbly appeal you to grant extension for approval for all the UG and PG programs for the year 2016-17. We will comply with the Rules & Regulations and the any other Directions issued to us in future also.

Yours faithfully.

As per ref cited 1, Expert Visit Committee was visited to your institute on 05.06.2015 and submitted a report pointing out deficiencies which are to be complied for the affiliation of the courses.

A show cause was issued to you as per ref cited 2, to rectify the deficiencies and intimate the compliance report. Based on your reply furnished to the show cause as per ref cited 3 and updation of data on e-Gov portal, the University has assessed the deficiencies and found that your institution still have deficiencies as per norms and standards. Hence you are given one more chance to rectify the defects and directed you to appear before an appeal committee on 08.04.2016 duly constituted by the Honble Vice Chancellor to explain the present status of the institution.

The appeal committee heard your views and having gone through the documents, submitted the following recommendations.

"Recommended affiliation for all UG Programmes.

Affiliation for all the four PG Programmes will be on the condition that Professors with Ph.D will be appointed with four streams before 31.05.2016."

In view of the recommendation of the Appeal Committee, the extension of affiliation of PG

Programmes in Computer Aided Structural Engineering, Computer Science and Engineering, Communication Engineering and Power Electronics for the academic Year 2016-17 will be considered only after the appointment of the Professors with Ph.D before 31.05.2016.

Sir,

Sub: - Compliance Report against the Show Cause notice issued by the University- reg

Ref: No.KTU/A/456/2015 Dated 26/6/2015 of the Registrar KTU

I am in receipt of the Show Cause issued by the University. In this context let me bring to your kind notice that the College has been granted extension of approval by the AICTE and the University.

Regarding the deficiencies noted by the K. T. U I submit the following for your kind consideration.

1. **Shortage of faculty:** There are 163 faculty members in the roll as per affiliation request submitted by the college. Some of the faculty members are on leave for various purposes as noted below:

Sl. No	Reason for Leave	No of faculty	Remarks
1	Medical Leave	1	
2	Maternity leave	3	Leave extended due to health issues of mother/child
3	Study Leave	7	Two are deputed and other on LWA
4	Long leave due to personal reasons	4	LWOP

In this connection I would like to inform you that IT department stopped taking students from the year 2014-15 academic year onwards. Similarly one

Under the Technical Management of the Nest Group  
batch of EC students also reduced from the academic year 2014-15. Hence the total number of B Tech students as per the sanctioned intake as per the CEE is only 1500. Our application for reduction in intake and closure of branch was already forwarded to AICTE. Now there are only 1500 seats available for B. Tech students that demands only 100 faculty to be retained in the college in the current year and there can have further reduction of faculty in the next year also. Similarly we have 4 batches (24 seats each) of PG programmes. So altogether, needed faculty strength is only 116 where as even if we deduct the faculty on leave, we have sufficient number of faculty available.

2. **No qualified faculty for PG Programme:** Please note that we have faculty with PhD in all the department that offers PG programs. One professor in the Computer Science department was resigned from service few weeks before inspection by the EV team. Our newly Posted Director is a PhD holder in Computer science and he is heading Computer science Department. Hence there is no shortage for qualified faculty in the college.
3. **No website mandatory disclosure:** Our website was undergoing modification and hence the mandatory disclosure was missing. The mistake is already corrected and the mandatory disclosure is available now.
4. **Shortage of journals:** Steps were already taken and orders were placed to have enough number of journals in the Library.
5. **Shortage of workshop:** Please note that we have a well equipped mechanical workshop, Electrical workshop and civil workshop. Shortage if specifically pointed out will be rectified immediately.

I request you to kindly accept the above explanation of compliance.

Yours faithfully

**SHOW CAUSE NOTICE**

As per the Clause 59 of the Ordinance establishing Kerala Technological University read as 1st above, the Affiliation and recognition of Technical Institutions to Kerala Technological University is mandatory. In accordance with that, the University can affiliate any of the Engineering Colleges or Institutions imparting education in Engineering /Technology owned by Government of Kerala or Government Controlled Societies, Private Aided and Private Unaided, self-financing educational agencies, provided they meet the criteria prescribed under the Ordinance.

By the order ref 2nd above, Government of Kerala have accorded sanction to disaffiliate the institutions imparting education in Engineering and Technology in the State of Kerala as stated under the above clause and affiliate them to the Kerala Technological University by invoking the same clause from the Academic year 2015-2016 and all technical institutions in the State will mandatorily affiliate with Kerala Technological University for the conduct of B.Tech and M.Tech courses from the Academic Year 2015-16 onwards.

Vide reference 3rd and 4th above, Kerala Technological University has issued Ordinance and notification for affiliating 'Existing and New Technical Institutions' of the state which conducts Under Graduate and Post Graduate programmes in Engineering and Technology for the Academic Year 2015-16.

Aluva, ERNAKULAM vide reference read as 5th above seeking affiliation of programmes approved by the All India Council for Technical Education (AICTE) for the Academic Year 2015-16 was considered by the University and the Honourable Vice-Chancellor exercising the powers under Section 15 (b) & 59 has granted provisional affiliation to the KMEA ENGINEERING COLLEGE, Kuzhivelippady

Edathala P.O

Aluva, ERNAKULAM for conducting programmes in Engineering for the Academic Year 2015-16. It was mentioned in the provisional affiliation order that the provisional affiliation shall be for the academic year 2015-16 or till further orders of the University and the provisional affiliation granted is subject to the following conditions.

- i. Verification of facts submitted by the institutions in the e-Gov platform by an Expert Visiting Committee constituted by the University
- ii. The Institutions shall observe the Clause 59 (2) of the Ordinance establishing the KTU, the norms and standards prescribed by the AICTE in the Approval Process Handbook 2015-16, and the guidelines issued by KTU from time to time.

It is categorically stated in the provisional affiliation order that non-compliance with any of the conditions will result in the withdrawal of the affiliation without any notice.

As per procedure Vice Chancellor has constituted an Expert Visit Committee (EVC) to visit your institute to analyse and report the infrastructure and other requirements as per Approval Process Handbook 2015-16 of AICTE. EVC has visited your institute on 05/06/2015 and submitted the report in the prescribed format generated from your online portal of KTU, which has deficiencies and incorrect informations. The EVC report is placed before the Evaluation Committee constituted by the Vice Chancellor. The Evaluation Committee has scrutinised the EVC report and observed the following deficiencies.

1. Shortage of Faculty
2. No Qualified Faculty for PG Programme
3. No Website Mandatory Disclosure
4. Shortage of Journals
5. Shortage of Workshop

The institute has to fulfill all the norms and standards mentioned in the notification for affiliation by the University. It is noted that KMEA ENGINEERING COLLEGE, Kuzhivelippady

Edathala P.O

Aluva, ERNAKULAM has not fulfilled the norms and standards for obtaining the affiliation for the AY 2015-16. In this circumstance, you are directed to rectify the deficiencies noted above immediately and report the compliance on or before 30th July 2015 through the web portal. Non compliance of the above will result in withdrawal of provisional affiliation granted to you for the AY 2015-16.

F.No- 26-103-2021-NBA

Date: 10.10.2023

To,  
The Principal  
KMEA Engineering College,  
Kuzhivelipady, Edathala P.O.,  
Aluva, Ernakulam - 683561 Kerala

Subject: Accreditation status of programs applied by KMEA Engineering College, Kuzhivelipady, Edathala P.O., Aluva, Ernakulam - 683561 Kerala.

Sir,

This has reference to your application I.D. Nos. 6286-04/01/2022, 7214-27/08/2022 and 7325-06/10/2022 seeking accreditation by National Board of Accreditation to UG Engineering programs applied by KMEA Engineering College, Kuzhivelipady, Edathala P.O., Aluva, Ernakulam - 683561 Kerala.

2. An Expert Team conducted onsite evaluation of the programs from 15<sup>th</sup> to 17<sup>th</sup> September, 2023. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier II June 2015 Document	Accredited	Academic Years 2023-2024 to 2025-2026 i.e. up to 30-06-2026	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Mechanical Engineering		Accredited		
3.	Electrical & Electronics Engineering		Accredited		
4.	Civil Engineering		Accredited		
5.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

Contd./\_

4. The programs have been granted accreditation for 3 years. **KMEA Engineering College, Kuzhivelipady, Edathala P.O., Aluva, Ernakulam – 683561 Kerala** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.
5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **KMEA Engineering College, Kuzhivelipady, Edathala P.O., Aluva, Ernakulam – 683561 Kerala** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.
9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)  
Member Secretary

Encls.: 1. Copy of Report of Chairman of the Visiting Team.  
2. Copy each of Expert Reports of the Visiting Team.

## Monitoring the Examination Process – Technology Assisted Systems

It's essential to balance the benefits of using cameras for examination monitoring with considerations of privacy and ethical concerns. Proper protocols and guidelines should be in place to address issues such as consent, data protection, and the appropriate use and storage of recorded footage. Additionally, clear communication with students about the purpose and use of cameras in examination monitoring is crucial to maintaining trust and ensuring cooperation.

The usage of cameras in examination monitoring serves several purposes:

The presence of cameras can deter students from engaging in dishonest behaviors during examinations, such as cheating or attempting to communicate with others.

Cameras provide a means to monitor the examination environment for any unauthorized individuals entering the room or any suspicious activity taking place.

Video footage from cameras can serve as documentation in case of any disputes or allegations of misconduct during examinations.

The use of cameras can promote transparency in the examination process, demonstrating to students and stakeholders that measures are in place to ensure fairness and integrity.

The number of CCTV cameras for the exam cell is 50.

RESEARCH SECTION

U.O.No. 1968/2023/KTU

Thiruvananthapuram, Dated: 04.08.2023

Read:-1. U.O.No.891/2022/KTU dated 18.04.2022

2. Applications submitted by KMEA Engineering College, Aluva, Sree Narayana Institute of Technology, Adoor & Rajadhani Institute of Engineering & Technology, Attingal for recognition as 'Place of Research' of this University.
3. Item No.S-046-010 in minutes of 46th meeting of the Syndicate held on 20.07.2023.

ORDER

Three Colleges listed below, have submitted their application for recognition as Research Centres of this University:-

1. KMEA Engineering College, Aluva
2. Sree Narayana Institute of Technology, Adoor
3. Rajadhani Institute of Engineering & Technology, Attingal

As per para 1.3 of the guidelines for recognizing Places of Research under this University communicated vide paper read as (1) above, the Standing Committee of the Syndicate on Academics and Research shall constitute a committee for inspection of the Institution to verify the facilities and submit recommendations based on facilities available for conducting research programs. As per para 1.4 - considering the recommendation of the committee, the Vice Chancellor shall make appropriate recommendation to the Standing Committee of the Syndicate on Academics and Research for further action. As per para 1.5, the Syndicate shall be the authority to declare an engineering college as a Place of Research.

As prescribed in the guidelines mentioned above, the Standing Committee of the Syndicate on Academics and Research had constituted a Committee for inspecting Institutions listed above who have applied for recognition as Places of Research of the University. The Committee had visited applicant Colleges and had submitted the Inspection Report for taking further action in this regard. Based on findings in Reports mentioned above, the Committee had recommended for granting all three colleges mentioned above the status of 'Place of Research' under APJ Abdul Kalam Technological University.

Considering the same, Hon.Vice-Chancellor had recommended for granting all three colleges mentioned above the status of 'Place of Research' under APJ Abdul Kalam Technological University and had ordered to place the matter before the Standing Committee of the Syndicate on Academics and Research for recommendations and to place further the matter before the Syndicate. The Standing Committee of the Syndicate on Academics and Research considered the same and had recommended to grant the status of 'Places of Research' under APJ Abdul Kalam Technological University to all three Colleges listed above.

The Syndicate vide paper read as (3) above, considered the matter of recognition of three Institutes listed above and had resolved to approve the recommendations of the Standing Committee of the Syndicate on Academics and Research to grant the status of 'Places of Research' under APJ Abdul Kalam Technological University to

1. KMEA Engineering College, Aluva,
2. Sree Narayana Institute of Technology Adoor
3. Rajadhani Institute of Engineering and Technology, Attingal.

Sanction is therefore accorded by the Vice-Chancellor implementing the resolution of the Syndicate.
