

NEWS @ KMEA

July 2017 - December 2017
Issue 3 No.2

A Bi-yearly Newsletter of KMEA Engineering College, Kochi

The KMEA Engineering College is run and managed by the Kerala Muslim Educational Association (KMEA). It is dedicated to the memory of Sri. C.H. Mohammed Koya, a great leader, educationalist and a philosopher. The college is committed to provide high quality education at par with global education standards and a unique learning experience for all its students. The institute which was established in the year 2002 and is situated at Kuzhivelpady, Ernakulam.

At present the College offers B.Tech degree in six Engineering subjects Civil, Mechanical, Electrical and Electronics, Electronics and Communication, Electronics and Instrumentation and Computer Science and Engineering. The College has M.Tech Programmes in Civil Engineering, Communication Engineering, Computer Science and Engineering and Power Electronics. The College is affiliated to Mahatma Gandhi University, Kottayam & Kerala Technological University, Thiruvananthapuram and approved by AICTE.

The College houses the first Electronics Incubation Centre, established by Govt. of Kerala in the new generation Engineering College to work as a nodal point in electronics engineering. It is a remote Centre of Indian Institute of Technology, Mumbai. The College has established INFINTY, the first mirror in Asia for TRISQUEL and the first MIRROR in South India for GNU.

Our Vision

To develop the institute as a centre of excellence, from where skilled professionals and technologists of outstanding caliber will graduate year after year, dedicated to the betterment of deprived and the well-being of the Nation.

Our Mission

We believe in the noble aim of empowering today's youth to face the challenges of tomorrow, by imparting training par-excellence and equipping them with the will and skill to be ideal role models in Society.

KMEA Diamond Jubilee Celebrations (1957-2017)

Jb. Syed Basheer Ali Shihab Thangal

General Secretary

Mr. Riaz Ahmed

Treasurer

Mr. H. E. Muhammed Babu Sait

Engg. College Management Committee

Mr. V. K. Ebrahim Kunju, MLA (Chairman)

Adv. K. A. Jaleel (Secretary)

Adv. P. A. Abdul Majeed Parakkadan

Mr. N. K. Nazar

Mr. V. S. Abdul Rahiman

Mr. M. P. Abdul Khader

Mr. N. M. Sharafudeen

Mr. Akbar Badusha

Mr. P. K. Jaleel

Mr. A. Basheer

Director & Principal : Dr. T. M. Amar Nishad

Vice Principal : Dr. Rekha Lakshmanan

Kerala Muslim Educational Association (KMEA) was established in the year 1957 for the Educational, Social and Cultural upliftment of the Society especially the weaker section including minority communities.

The founder of the Association was distinguished statesman adv. B.Poker Sahib who was an outstanding parliamentarian and jurist of his time. Late. Adv. Seethi Sahib was a legendary figure in the political arena who adorned the speakership of the Kerala Assembly also contributed for framing this association. Sri. C.H. Muhammed Koya, former Chief Minister of Kerala was an active member of this association.

KMEA is running various educational institutions namely KMEA Engineering College, KMEA College of Architecture, KMEA College of Arts & Science, Seethi Sahib Memorial Polytechnic College and KMEA Al-Manar H.S.S. This organization is imparting free education to weaker section of the society irrespective of caste and creed by admitting students in our institutions.

The organization distributes scholarships and awards to deserving needy students and colleges.

KMEA is on the eve of its 60th Year of existence. In this Diamond Jubilee Year, KMEA has decided to conduct various Conferences, Seminars, Educational and Cultural activities.

As a part of Diamond Jubilee Celebrations, the first session was held on 15th December 2017 at KMEA Engineering College Conference Hall. The Principals of all KMEA Group of institutions were honoured in this event. Mr. Riaz Ahmed Sait (General Secretary, KMEA), Mr. H.E. Mohammed Babu Sait (Treasurer, KMEA), Adv.K.A. Jaleel (Secretary, KMEA Engineering College Management Committee & Convenor, Diamond Jubilee Celebrations), Adv. P.A. Abdul Majeed Parakkadan (Secretary, KMEA), Mr. N.K. Nasser (Secretary, KMEA), Dr. T.M. Amar Nishad (Director/Principal, KMEA Engineering College), Dr. Rekha Lakshmanan (Vice Principal, KMEA Engineering College), Prof. Abdul Karim (Principal, KMEA College of Arts & Science), Ar. Abhi shek Xavier (Principal, KMEA College of Architecture), Prof. Abdul Nasar Kaipanchery (Principal, SSM Polytechnic College), Ms. P.V. Ampily (Principal, KMEA Al-Manar H.S.S.) and faculties of KMEA Group of institutions were attended the event.

College Activities

Invocation Ceremony 2017

The Invocation Ceremony of 16th B.Tech Batch, of the College, was held on 1st August 2017. Prof.(Dr.) Rose Varghese, Vice Chancellor, National University of Advanced Legal Studies (NUALS), Kochi, inaugurated the academic activities. She also motivated our new students by her talk. This was followed by an orientation session on "Fly High Achieve High" by Psy. Vipin V. Roldand, Consultant Corporate Psychologist. He encouraged the students to work hard in order to develop their character, realize their potential and articulate their capacity. Adv. K. A. Jaleel (Secretary, College Management Committee), Jb. H. E. Mohammed Babu Sait (Treasurer, KMEA), Adv. P. A. Abdul Majeed Parakkadan (Secretary, KMEA), Mr. N. K. Nasser (Secretary, KMEA), Dr. T. M. Amar Nishad (Director, KMEA Engg. College), Dr. Rekha Lakshmanan (Vice Principal, KMEA Engg. College) spoke on the occasion. The College News Letter "News@KMEA, Issue3, No.1" was released by the Chief Guest. She also distributed the Smart Awards given by the college to academically excellent students.

KMEA Awards 2017

KMEA Trust conducted an Award distribution function on 4th November 2017, to recognise the achievements of the meritorious students who scored full A+ in the Plus 2 and SSLC examination held in March 2017. The awards were distributed to the students for their excellence in higher education, especially in professional and technical fields. A total of 200 students were presented with cash awards, mementos and merit certificates. Prof. K.V. Thomas, M.P, was the Guest of Honour of the ceremony. The function was presided by KMEA Engineering College Chairman Jb. V.K. Ebrahim Kunju (M.L.A.). Mr. Riaz Ahmed Sait (General Secretary, KMEA), Mr. H.E. Mohammed Babu Sait (Treasurer, KMEA), Adv. K.A. Jaleel (Secretary, KMEA Engineering College Management Committee), Adv. P.A. Abdul Majeed Parakkadan (Secretary, KMEA), P.M.A. Latheef (Convenor, Scholarship Committee), Dr. T.M. Amar Nishad (Director, KMEA Engineering College), parents of the award winners and a large number of students attended the event.

College Magazine Release

The College Magazine for the academic year 2016-17 was released on 26th October 2017. The programme was conducted by College Union in the College Conference Hall. KMEA Management Secretary Adv. Abdul Majeed Parakkadan inaugurated the function and released the magazine. The College Director Dr. T. M. Amar Nishad, Vice Principal Dr. Rekha Lekshmanan delivered the felicitations. CollegeUnion Chairman Mr. Hasif A.P, Student Editor Ms. Fidhamol P. S, and Editorial Board Student Member Mr. Yasir Inam also spoke on the occasion.

Onam Celebration 2017

Onam is the biggest and the most important festival of the state of Kerala. The Onam celebrations were held at College campus on 30th August 2017 with great enthusiasm. The inauguration was held at 9.30 am at the PSTA Block presided over by the College Director/Principal Dr. T.M. Amar Nishad and in the presence of Vice Principal, HODs, Staffs and Students. Director gave the message that Onam is a celebration of prosperity, equality and togetherness. As a part of the celebration, the NSS team distributed "Onam Sneha Kit" to the house keeping staffs. Cultural events such as Pookkalam, Tug-of-War, Thiruvathirakali, Onappattu were held as part of the celebrations. Each department conducted Onam programmes and arranged Onam Sadhya.

College Activities

Course Completion Ceremony 2017

The College conducted its annual course completion ceremony of 2013-2017 batch on 16th September 2017. A total of 125 students were awarded their B.Tech degree during the ceremony. The objective of organizing the ceremony was to give an opportunity to all graduated students to come back to college once again, relive their old memories and get connected with the institution. The event was inaugurated by Dr. Victor Michael, Registrar Kerala University of Fisheries and Ocean studies (KUFOS) and was presided by Vice President of Grama Panchayath, Adv. Abdul Muthaleeb. Jb. Riaz Ahamed Sait, General Secretary KMEA, welcomed the gathering. He congratulated all the graduate students and urged them to maintain their relationship with their alma mater through alumni association of KMEA. Dr Victor Michael in his inaugural address congratulated the students and reminded them about their commitment to society. Mr. Abdul Muthaleeb in his presidential address stressed about the need of quality engineers in the society and recollected the memories of his graduation day. The certificates were awarded to students by Dr. Victor Michael, Adv. Abdul Muthaleeb, Jb. Riaz Ahamed Sait, Jb. H.E Muhammed Babu Sait, Mr. N K Nasser, Adv. Abdul Majeed Parakkadan, Dr. T.M. Amar Nishad and Dr. Rekha Lakshmanan.

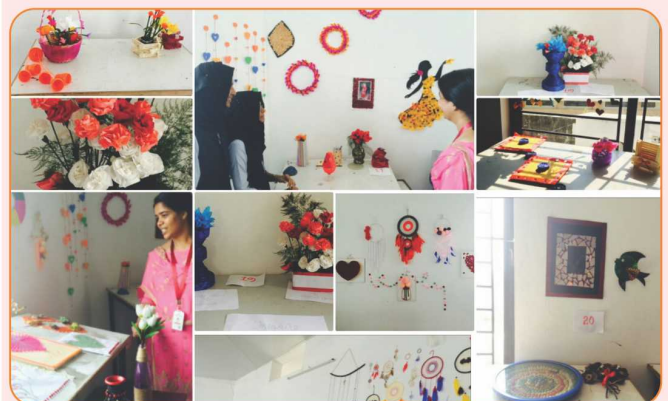

Women's Forum 2017

Women's Forum of the College was inaugurated on October 14th 2017, which marked a change in the lives of the family members of KMEA Engineering College. The Chief Guest of the day was Dr. P.A Mary Anitha, Chairman - CEFEE, Kochi. Centre for Empowerment and Enrichment is to empower the under privileged and needy to live a quality life and mark a difference. Dr. P.A Mary Anitha inaugurated the activities of the Women's Forum and urged the student communities to change themselves and change the world that will bring many minds into action for causes that need consistent care and cure. The Vice Principal Dr. Rekha Lakshmanan welcomed the gathering and the student representative Ms.K.R Ruksana of EC department delivered the vote of thanks.

Craft Club Inauguration

Craft club inauguration was held on 10th November 2017 by Vice Principal, Dr. Rekha Lakshman. After this function, a crafts competition was conducted and the participants were allowed to display their craftsmanship. Winners of the Craft club competition were Ms. Jaseera A. J. and Ms. Aaliya Yousof (First prize), Ms. Shifa Kareem, Ms. Rumaisa K. A., Ms. Safana Mol P. (Second prize) & Ms. Riswana M. H., Ms. Mubeena and Ms. Shifana (Third prize).

College Activities

GRACE 2017 Inter School Talent Search and Exhibition

The College conducted "Interschool Talent Search and Exhibition Programme" GRACE 2K17 on 21st November 2017. The programme was conducted as part of the Kerala State Science Week 2017 for finding out the technical talents of high school and higher secondary students. About 2000 students from over 100 schools participated in the various technical competitions. The College offered prizes worth rupees 1.5 Lakhs. The competitions were conducted for various items like Project Working model, Project Still model, Quiz, Newspaper Making, Debate and Treasure Hunt. The social awareness programme and photo gallery conducted by Kerala Forest Department was the main attraction of the programme. Other public owned departments like KSEB and KEL also conducted exhibitions as part of GRACE 2K17.

As part of District Science Exhibition, the College had made a stall in Govt. Girls High school Perumbavoor for exhibiting the talents of our students so as to make the school students aware about the different aspects of Engineering study. As part of the programme our college provided an opportunity to visit the various laboratories in the College and those higher secondary students can approach the College to use any of the labs to practice or develop any project as per their own study aspect. KMEA Engineering College was one of the major sponsor of Sub District Youth Festival conducted at the Govt. Higher Secondary School, Thandekkad.

Department Activities conducted under Technology Empowerment Programme Cell

Faculty Development Programme on 'Total Station'

In connection with the Faculty Development Programme, a training session on "Total Station"(Combination of Electromagnetic Distance Instrument and Electronic Theodolite) was given by the Surveyor Mr. Bibin Jacob from CVCC (Kochi Metro) to all the faculties of Civil Engineering on 14th October 2017. The session revealed about the basic concepts of Total Station surveying. A hands on session was also given to the faculty members of the department.

Faculty Development Programme on 'Graph Theory and Combinatorics'

A Faculty Development Programme on 'Graph Theory and Combinatorics' was conducted on 25th and 26th of July 2017 by Department of Computer Science and Engineering under the Technical Empowerment Cell of the College. The programme was inaugurated on 25th July 2017 at 9.30 am by College Director Dr. T.M. Amar Nishad. The sessions were handled by Ms. Anu V. (Asst. Professor, St. Peters College, Kolencherry), Ms. Naseema V. A. and Ms. Sunitha K. A. (Asst. Professors, KMEA Engg. College). Faculty members from 16 colleges participated in this FDP.

Continuing Education & Special Programme Cell

The College realizes that every youth of the country needs to be trained properly to be employable, along with the theoretical knowledge they acquire from educational institutions. So Additional Skill Acquisition Programmes for the youth like SRC, ASAP, PMKVY are being conducted at the college campus for developing the youth technically. To make the youth understand the importance of sustainability and energy management, the College is cooperating with ANERT to conduct energy management related programmes. The faculty members and students of KMEA very actively participate in the programmes conducted by professional bodies like IEI, IETE, CSI etc. The College is also the examination centre for IETE examinations.

State Resource Centre (SRC)

The State Resource Centre (SRC), Kerala is an autonomous organization funded by the National Literacy Mission, under the Ministry of Human Resource Development, Department of Elementary Education & Literacy, Govt. of India and administered by the General Education Department, Govt. of Kerala. The SRC, Kerala was established in 1978, with the ultimate objective of providing academic and technical resource support to all the agencies in the state engaged in Adult and Continuing Education Programmes.

SRC, Kerala has opted KMEA Engineering College to host its various Short Term Skill Acquisition Courses. Five courses under Mechanical Engineering stream namely Professional Certificate courses in Non-Destructive Testing, QA/QC Welding Inspection, MEP Designing & Drafting Engineering, Oil and Gas Production Technology, Piping and Pipeline Engineering was successfully conducted during the academic year 2017-2018. More than 60 students from various colleges across Kerala participated in these courses. Participants as well as SRC, Kerala has made remarkable comments over the facilities provided by the College.

Additional Skill Acquisition Programme (ASAP)

Additional Skill Acquisition Programme (ASAP) is an ingenious undertaking by the Higher Education and General Education Departments of Kerala that focuses on delivering skill and value based education to Higher Secondary and Undergraduate students. ASAP aims on becoming an initiative that works with a passionate drive towards equipping the youth of Kerala for the highly demanding industrial roles of today and the future. This student-centered programme works

with different industrial sectors to design and update curriculums that inculcate desirable skill sets and qualities to the students to develop a pool of industry ready candidates.

Over the years, ASAP has tied hands with KMEA Engineering College in this important mission of developing skilled youth. Since 2016, the College has been successfully conducting different programmes, under this scheme; Lathe Operator (2016), CCTV Technician (2017). For the upcoming academic year three courses has to be conducted; CNC Operator, CCTV Technician and Lathe Operator.

Pradhan Mantri Kaushal Vikas Yojana (PMKVY)

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of the Ministry of Skill Development & Entrepreneurship (MSDE), Govt. of India. The objective of this Skill Certification Scheme is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood. Individuals with prior learning experience or skills will also be assessed and certified under Recognition of Prior Learning (RPL).

KMEA Engineering College has been selected under PMKVY Scheme for conducting two courses; Assistant Electrician and CNC operator during upcoming academic year.

Agency for Non-conventional Energy and Rural Technology (ANERT)

KMEA Engineering College is one of the ANERT recognized centers for conducting Training for Field Functionaries of Solar Roof Top PV Power Plants in Kerala. For imparting sufficient exposure in grid related issues and creating confidence among all the stakeholders, ANERT have planned a two day training program for the field functionaries. This two day training will cover all the AEs and AEEs of KSEB and district level officers of Electrical Inspectorate. The College is in collaboration with Arbutus Consultants Pvt. Ltd, Pune for this initiative. The College infrastructure, such as lab facilities and other resources are used for this training. It is an industry academia linked program as per AICTE. The training is funded by Government of Kerala through ANERT. It is a great initiative by Gov. of Kerala and the College for Green energy movement of the state.

Career Guidance and Placement Unit Activities

Career Guidance Programmes

- **Praxis Knowledge:** We have conducted a skill enhancement workshop in association with Praxis Knowledge. The proposed sessions include Employability Skills Training Workshop (A soft skills session best suited for students from first and second year) and GD & PI Workshop (A final placement oriented session purely focused on GD, PI and resume writing best suited for third and final year students).
- Conducted an orientation session for all students in the beginning of the academic year by Mr. Jose Prakash, a Renowned Trainer.
- **FDP: CL Educate Ltd (Formerly Career Launcher India Ltd)** is one of the leading educational corporates in South Asia had conducted FDP for KMEA faculties. The core area of competence includes virtual / conventional classroom delivery, web based education and creation of educational content. FDP on Pedagogical methods, Delivering and Getting Effective Feedback, Effective Communication whilst teaching, Decision Making & Self-Management, Motivating Students, Develop Leadership Skills among students, Teacher - Coach - Mentor, Stress Management. The programme had been conducted by Dr. Jeremy Sunderraj and Mr. Jayesh.
- **Analytics Hub:** The session was on the topic "Big Data Analytics in Engineering and Business Decision making". It will be useful for students who aim for placements in core companies/IT/marketing roles as well as those who opt for higher studies in management. The session had covered topics such as 'How Data Analytics can: Increase efficiency, Improve operations, Boost sales, Enable better decision making'.
- **GATEtutor:** This is an e-Learning and online examination management system for engineering students for GATE coaching. The services which they provide help our students to achieve their goal. Tie a new knot with the GATEtutor where you can put your study material to strategic use and get set for a future which is bright and colorful.
- **IDP:** IDP Education is a world leader in international student consultancy services. With a network of over 100 international centers, they have a global presence in more than 32 countries. They gave a proposal for a presentation on the topic 'higher education abroad and scholarship options'. During the session students could clarify their doubts with their counselors.
- **Trans Tec Edusolutions:** Aim of this course is to train the students to acquire the knowledge and skills required for effective communication and help them to migrate to a globally accepted English language. It had been covered by these topics: The Importance of Soft Skills in their Personal and Professional life, 21st Century Skills & Challenges, the Different Learning Styles & Types of Learners, the Skills required for Employability & Job situations in India, Current Trends in Higher Education & KTU, Constructive Learning Theory, SUN Language Lab Software and how this will help students acquire Linguistic skills.
- **Corporate Employability Assessment:** Corporate Employability Assessment (CEAT) from freshersworld.com is one of the most acknowledged assessments by the corporate which is done every year in the month of July to September in KMEA for evaluating the employability of final year Graduate. The top scorers' details will be duly shared with their associated companies eyeing on placement opportunities.
- **SEED Engineering Consultants:** A FREE introductory talk by the Director of SEED Engineering Consultants to explain to the students the salient point on MEP building services and its relevance to the present building industry and the probable job opportunities for the students.
- **Global Talent Track Private Limited:** Global Talent Track (GTT); an education and training venture, set up by some of the best minds from the industry, education and technology domains. The venture aims to provide 'quality with scale' through programs delivered with the help of innovative technologies and compelling content. Provided access to employability enhancement related activities through blended learning model including the use of Career Clap (special software designed for students) for B.Tech students. Barclays Life Skills training content of 24 hours is available online on www.careerclap.com. Students can study this online content at their pace and give the online assessment. All participating students will receive a certificate.
- **Educba:** An initiative by IIT IIM Graduates, eduCBA is a leading global provider of skill based education. At eduCBA, it is a matter of pride to us to make job oriented hands on courses available to anyone, anytime and anywhere. Therefore we ensure that our students can enroll 24 hours a day, seven days a week, 365 days a year. Learn at a time and place, and pace that is of students' choice. They can plan their study to suit their convenience and schedule. Conducted a corporate bridge general aptitude test. These are the topics that were covered for the CGAT Aptitude Test. Quant, Verbal, Data Interpretation and Data Sufficiency, General Aptitude
- **FNAT (First Naukri Aptitude Test):** Conducted an Online Aptitude test for all B.Tech and A&S students. Its a placement test based on Analytical, English and Quantitative analysis
- **Hatchway CAD Academy:** In association with Hatchway CAD academy we had conducted a session on 3D printing technology. This Futuristic 3D printing Technology curriculum moves ahead of time and opens the world of creativity to the students along with the introduction to the cutting edge technology. This could be a life changing experience to the students which ultimately introduce them to technical skill enhancement, 3D concepts, model designing, computer aided designing, real world objects creation, machines, manufacturing, motor skills, prototyping and new technology adoption and several projects that challenges students creativity and technical skills and also help to communicate and work together as a team, which ultimately improves social skills as well. The introduction of 3D printing Technology prepares students for the next generation technologies.
- **Freshersworld.com:** We have created a Free Online Aptitude Test exclusively for our students who are looking for placements. This online test would help students understand where they stand and prepare well for upcoming Recruitment Exams. For all Private, Government or Banking sector exams, Online Assessment is the first step of evaluations to secure a Job these days. This test is intended to create awareness among students and they will be awarded College and National level rankings. As a token of appreciation, Top 3 scorers from our college got Certificate of Appreciation from Freshersworld.com.

Career Guidance and Placement Unit Activities

Campus Placements

The major objective of campus placement is to identify the talented and qualified professionals before they complete their education. It provides employment opportunities to the students who are pursuing B.Tech or in the final stage of completing the course. This process reduces the time for an industry to pick the candidates according to their need. It is a cumbersome activity and hence majority of the companies find it difficult to trace the right talent. We had been conducting placements even for our passed out students that is after June, 2017 with companies Poornam Infovision, 24/7 Technologies, Amazon etc., and also placement for current final years has started. Their drive will end up only in the last month of next academic year. Started their placement drive with few companies, this time we had got best salary packages to students by Directi which offers 27 lakhs per annum. Few names till the day are IBS, VVDN, Abasoft etc.

Our Top Recruiters

Career Guidance and Placement Unit Activities

The Startup League

Millionminds is an organization which is committed to and passionate about startups, and aims to work towards augmenting the Indian startup landscape, focusing on youth from Tier II & III cities in India. The Startup League hosted in Kochi at the KMEA Engineering College on 24th August 2017. Top 10 entries from Kochi were presenting their startup ideas to the panel of judges, which include the foremost startup founders in the city - Mr. Nithin Thomas - CEO of Slash Secure, Mittu Tigi - Founder of Zoooyi Communications Pvt. Ltd, and Mr. Amarnath Sankar,

CEO of CAT Entertainments Pvt. Ltd and Co-Founder & Director of TastySpots. As a part of panel discussion, they shared the experience of their entrepreneurial journeys and their expertise of the startup business with the students attending the event. The top three teams at the event had qualified for the Grand Finale of The Startup League. These teams had received guidance and mentorship support from the startup founders associated with Millionminds to develop their idea further, which they will showcase at the final event.

National Service Scheme Activities

NSS Punarjani Award

The National Service Scheme of the College has introduced "Punarjani" project at Govt. Medical College, Ernakulam in the academic year 2016-2017. This project aims at recreating the damaged and devastated equipments in the government hospital. 150 equipments worth 12 lakh rupees has been repaired through the hardwork of the volunteers. The College organised their 7day camp as well as a mini camp which lasts for 3 days by taking part in the big project Punarjani.

The College was awarded for its active participation in the Punarjani project by the state government. The award ceremony was organised on 1st July 2017 in the PWD Rest House, Kalamassery. The award was received by the Vice Principal, Dr. Rekha Lakshmanan from the Finance Minister, Dr. T.M Thomas Issac. The award function had the presence of the renowned MLA, Mr. V.K Ebrahim Kunju and the NSS Technical Cell State Coordinator Mr. Abdul Jabbar Ahammed. It was a proud moment for the whole KMEA family.

International Yoga Day

The College NSS unit celebrated international yoga day on 21st June 2017. The yoga day celebrations had the presence of Vice Principal Dr. Rekha Lakshmanan, Yoga Trainer Mr. Jayaraj and his disciple Mr. Binu A.R., NSS Programme Officer and the NSS volunteers.

The session contained an informative lecture followed by practice of yoga postures. The NSS volunteers who were part of this mass demonstration were made aware of the relevance of the yoga in daily life. It was explained to them how regular practice of yoga will surely help them achieve a better physical, mental and spiritual life.

Independence Day Celebration

The 71st independence day celebrations were held at the College on 15th August 2017 at 8.00 am. KMEA Management Secretary, Adv. Majeed Parakkadan hoisted the Indian flag in the presence of Vice Principal, Dr. Rekha Lakshmanan, NSS Programme Officer, Prof. Midhun Mohan and NSS Volunteers. He spoke about the significance of the historic day and urged the students to become model citizens. The aim of Independence Day should not only be to celebrate the day as a holiday. There should be serious efforts in educating the present and future generations about the freedom struggles which the Saviors underwent, to give us the freedom that we enjoy today. The celebration was followed by an orientation class for the new NSS volunteers.

Blood Donation Camp

The College NSS Unit organised a blood donation camp on 29th August 2017 in association with IMA, Aluva. More than 40 volunteers donated their blood in the camp. The programme was conducted to create awareness among the students and faculties about donating blood and its importance.

National Service Scheme Activities

NSS Day Celebration

The College Unit celebrated NSS Day on September 24th by visiting an old age home. Old age homes are living monuments which shows the real cruelty of the grown up children to their weak parents. The NSS unit organised a flag hoisting ceremony in the college campus on the same day. NSS day had the presence of Vice Principal Dr. Rekha Lakshmanan , NSS Programme Officer Midhun Mohan and the NSS Volunteers. Visiting the old age home gave each and every volunteer a mesmerising experience. All the volunteers talked with the inmates of the home and shared some good times with them.

Mid Day Meal Programme for Special School Students

As part of NSS activities conducted by the College, the NSS unit decided to organise a mid day meal scheme for the students in the special school located at Kuzhivelipady. The volunteers were keen to do something which satisfies them as a whole and decided to do the same. The programme was scheduled so as to organize the meal during every Friday. The first mid day meal programme was very successful.

The children of the special school were served homely foods brought by the students of the College. The programme had the presence of College Vice Principal Dr. Rekha Lakshmanan , NSS Programme officer and Edathala Ward member Mrs. Shahina Kareem.

Suchithwa Bodhana Yajnam "Vijnanayathra 2017"

The College NSS Unit No:226 hosted the cleanliness awareness class Vijnanayathra 2017 in the campus. It is a long term project which aims at the conservation of environment. The Vijnanayathra aims at bringing the concept of 'CLEAN KERALA'. The programme was organised on 28th September 2017. A worthy meaningful skit was played by the students of Rajagiri College of Social Sciences, Kalamassery. KMEA Management Secretary Adv.Majeed Parakkadan, Principal Dr. T.M. Amar Nishad, Vice Principal Dr. Rekha Lakshmanan, Block panchayath member Mrs. Sajitha, NSS Programme Officer Prof. Midhun Mohan and many other dignitary members who came along with the vijnanayathra made the programme a huge success.

Sneha Kit Programme

The NSS unit of the College arranged a Sneha Kit programme as part of the Onam celebration on 30th August 2017. Each volunteers contributed a small amount to this programme and bought food items for the amount collected. The College Director Dr. T.M. Amar Nishad distributed "Onam Sneha Kit" to the house keeping staffs.

Sports Activities & Achievements

Basketball Court Inauguration

Our new basketball court was inaugurated on 11th October 2017, by former Senior Indian Basketball Player Mr.Subash Shenoy. The function was presided by College Chairman Jb. V .K Ibrahim Kunju, M.L.A., KMEA General Secretary Jb. Riaz Ahmed Sait, College Management Secretary Adv.K.A Jaleel, KMEA Secretary Adv. Abdul Majeed Parakkadan and all the dignitaries from the College Management Committee were attended the function. An inaugural match was held between KMEA engineering college and SCMS School of Engineering and Technology, and host won the match.

Jb. Riaz Ahmed Sait presenting a memento to Mr. Ajmal Ahsan of Computer Science Department for his excellence in Rubiks Cube solving skill maximum of 13 seconds
