## **Strategic Plan (2019-2024)**

### **I. Developing a system for industry interaction through MOUs , internships, trainings and programs.**

- 1. To collaborate with at least five industries in each program through MOUs**
- 2. Induction of industry oriented problems and applications as projects of the students.**
- 3. To facilitate the conduction of internships of students at premiere industries.**
- 4. Conduction of regular invited talk by experts from industry and facilitating interaction between experts, faculty and students.**

### **II. Faculty and Student empowerment programs**

- 1. To encourage associations of all departments to conduct various programs so as to improve organizing capacity and leadership qualities of students.**
- 2. To conduct invited talk by experts from premiere academic institutes to enhance advancements in their subject domain.**
- 3. To conduct workshops and seminars for the students at regular intervals.**
- 4. To conduct techno managerial fests for students at intra-college level and inter college level.**
- 5. To promote the participation of students in competitions, seminars, workshops, conferences and tech fests, outside the campus.**
- 6. To conduct induction program for the faculties at the beginning of each semester.**
- 7. To conduct regular faculty training and empowerment programs.**
- 8. To conduct FDP at regular intervals.**
- 9. To encourage faculties to attend atleast two FDPs in an academic year.**

### **III. Development of startups and promotion of entrepreneurship.**

- 1. To develop ten startups within next five years.**
- 2. To conduct invited talks by experts from KSUM and other allied organizations to students.**
- 3. Encourage the activities of IEDC cell such as conduction of idea contests, seminars and workshops on entrepreneurships and startups.**
- 4. To provide incubation space in campus for the registered startups of our students.**

### **IV. Membership of Professional bodies**

- 1. All departments should get membership of at least two professional bodies in their domain.**

2. **The chapter of the professional body in the college should chart out its road map for five years in consultation with its parent body.**
3. **The various activities charted should be implemented as per the schedule.**
4. **Regular visit and interaction of the expert or elder from the professional body should be conducted.**

#### **V. Streamlining of Career Guidance and Placement unit.**

1. **Conduction of invited talk of experts from each program to create awareness about the opportunities in each program.**
2. **To start training programs for various competitive exams like GATE, CAT, GRE, GMAT, IAS etc.**
3. **To set a target of 60% placement for the eligible students.**
4. **To conduct semester wise training program for making the student place able.**
5. **To attract core companies to campus for recruitment.**

#### **VI. Development of Research Cell**

1. **To produce ten research papers for each program of which at least two should be SCI indexed journals.**
2. **To encourage the students of the department to produce research papers at the end of their project.**
3. **To provide motivational monetary benefits to students and faculties for producing SCI indexed journal papers.**
4. **To conduct FDPs in Research Methodology and expert talk in other research areas.**
5. **To develop a research culture in the college.**
6. **To encourage existing faculties to enroll for Ph.D programs.**
7. **To set a target of at least one Ph D holder in every department after five years.**
8. **To conduct national and international conferences regularly.**
9. **To introduce new research lab for facilitating research.**

#### **VII. Preparation of institute development plan for academic enhancement**

1. **To develop the academic interventions required to move from mission to vision.**
2. **To identify the sources for mobilizing the resources.**

3. To develop an academic monitoring committee for proper guidance and monitor its functions.
4. To set a target of 60% pass in the semester end examination.

#### **VIII. Activation of IQAC for acquiring NAAC & NBA accreditation**

1. To develop system and processes benchmarking NAAC & NBA.
2. To set the internal mechanism & HR practices to address accreditation processes.
3. To set up quality assurance network.
4. Train staffs & students benchmarking the accreditation processes.
5. Prepare and submit proposals for accreditation.

#### **IX. Enhancement of Alumni Association Activities**

1. All departments should form Alumni associations.
2. To conduct annual alumni association meeting.
3. To encourage the contribution of alumni for department upgradation.
4. Motivating Alumni to act as a mentor for their juniors thereby providing an insight regarding career opportunities and placements.

#### **X. Social Empowerment**

1. Extension activities of NSS, Womens forum & PPC unit

#### **XI. Physical Education Facilities**

1. The objective is to become the best Engineering college in Physical Education facilities.
2. To construct excellent gymnasium for the students.
3. To conduct intercollege tournaments in various games
4. To modify existing grounds and shuttle cour

## **Achievements Based on Strategic Plan**

- I. Industry Interaction**
  - a. Outcome based MOUs with industries-44**
  - b. CSR funding from industry worth 2.5 lakhs**
  - c. Industry paid internship to students worth one lakh**
  - d. Industry supported labs-5nos**
  - e. Value added programs -11nos**
- II. Student & Faculty empowerment**
  - a. KTU Funded FDPs worth 3 lakhs**
  - b. Two conferences**
  - c. Tech fests**
  - d. Cultural fests**
  - e. Invited talks**
  - f. Workhops**
  - g. Seminars**
  - h. STTPs**
  - i. Faculty empowerment programs**
- III. Innovation Eco system**
  - a. Student start-ups**
  - b. Faculty start-ups**
  - c. 64<sup>th</sup> Position in ARIIA Ranking**
  - d. 5 star rating in MOE rating**
  - e. 4<sup>th</sup> position for our IEDC in state level**
  - f. Several winners idea pitching competitions**
  - g. Best idea award in Tekon-2019 at state level**
  - h. Patents published by four faculties**
  - i. Patents published by students**
  - j. SEED funding for two projects in Chunauti 4.0, STPI Govt. Of India worth Rs.90,000/- each**
  - k. Several awards in Hackathons**
  - l. Hosted IIC South India Regional Meet conducted by MOE, Govt of India.**
- IV. Professional Bodies**
  - a. All departments have formed student chapters of professional bodies**
  - b. Outcome based activities conducted in all departments under professional bodies**
  - c. Best Emerging branch award for our IEEE student chapter**
  - d. Best ISF award**
- V. Career Guidance & Placement Unit**
  - a. Excellent placement records**
  - b. Placements based on internships**

- c. Promoting higher studies of our students in International Universities through various activities
  - d. Conduction of Knowledge Exchange Program with Murdoch University Australia.
  - e. Excellent placement training for our students for enhancing placement rates.
  - f. Regular invited talk from industrial experts.
- VI. Research Cell**
- a. Two academic collaborations with international universities
  - b. Two award winning projects at state level project competition Tekon-2019
  - c. Seventeen PhD holders.
  - d. Three Research Supervisors
  - e. 29 faculties pursuing Phd (Research Scholars)
  - f. Excellent number of faculty & student publications.
  - g. Funded research in collaboration with Mara university Malaysia
  - h. Research labs in all departments
  - i. Implemented E yantra lab in association with IIT Mumbai.
  - j. Implemented Kare lab for inter disciplinary research
  - k. Monetary benefits to staff & students who published papers in sci indexed journals
- VII. Academic Development**
- a. Implemented OBE in academics
  - b. Academic monitoring system to improve academics
  - c. Innovative teaching methods adopted
  - d. Content beyond syllabus activities
  - e. Add on programs conducted
- VIII. IQAC**
- a. Implementing quality enrichment activities in all segments
  - b. Awarded NAAC accreditation with B<sup>+</sup>.
  - c. Participated in NIRF Ranking
  - d. Spearheading the activities of college in student progression through KIC, & KCGPU, Extension activities through KSEC, research activities through KRCC
  - e. NBA Accreditation visit during September 2023.
- IX. Alumni Interaction**
- a. Alumni chapter in India & in Middle east
  - b. Yearly Alumni interactions
  - c. Alumni funded projects
  - d. Alumni participation in flood relief & covid relief activities.
  - e. Alumni financial support for medical emergency of students & staff.
- X. Social Empowerment.**
- a. Best NSS Unit award
  - b. Best NSS Program officer award
  - c. Best NSS Volunteer award

- d. Punarjani award for NSS Unit**
  - e. Blood donation, cleaning activities & activities for caring differently abled children & elderly people.**
  - f. Home care & Stem cell camp**
  - g. Wheel chair distribution**
  - h. Covid & Flood related activities**
- XI. Physical education**
- a. Two girl students were selected as University kabaddi players, 2022.**
  - b. The world record of “maximum push-ups on 3 steel glasses in 30 seconds” was achieved by Mohammed Sahad M.S**
  - c. Vysakh Menon received Bronze medal, 9th State Kick Boxing Championship**
  - d. Akshay K K State champion Mr. Kerala 2019**
  - e. Azhar Abdul Majeed, Silver medal District Wushu Championship**
  - f. Sabreen Rafeek won District Karate Dojo’s Association Championship**
